**Security Manual and Principles for  
Utilization of Photography and Comint**

1. It was agreed that the Security Manual and the principles referenced should be transmitted by Mr. Bissell to the principals of the agencies concerned, all having now agreed on the manual and the principles papers.

**Objectives to be Realized Through the Project**

2. The Air Force submitted a draft which was subsequently classified TS and distributed as TEF 143485 as a basis for discussion. This draft related to objectives to be realized through the Project and is being prepared as of possible assistance to U.S. political authorities in formulating a decision with regard to proceeding with operations. Sentiment was generally favorable toward this draft. The Chair requested that each agency examine the paper and be prepared to submit suggestions for amendment at a special meeting to be held at 12 noon on 1 June. He urged that in formulating the revisions that they avoid amendments that would greatly lengthen the document.
